

REIN Reserve by Allergiance

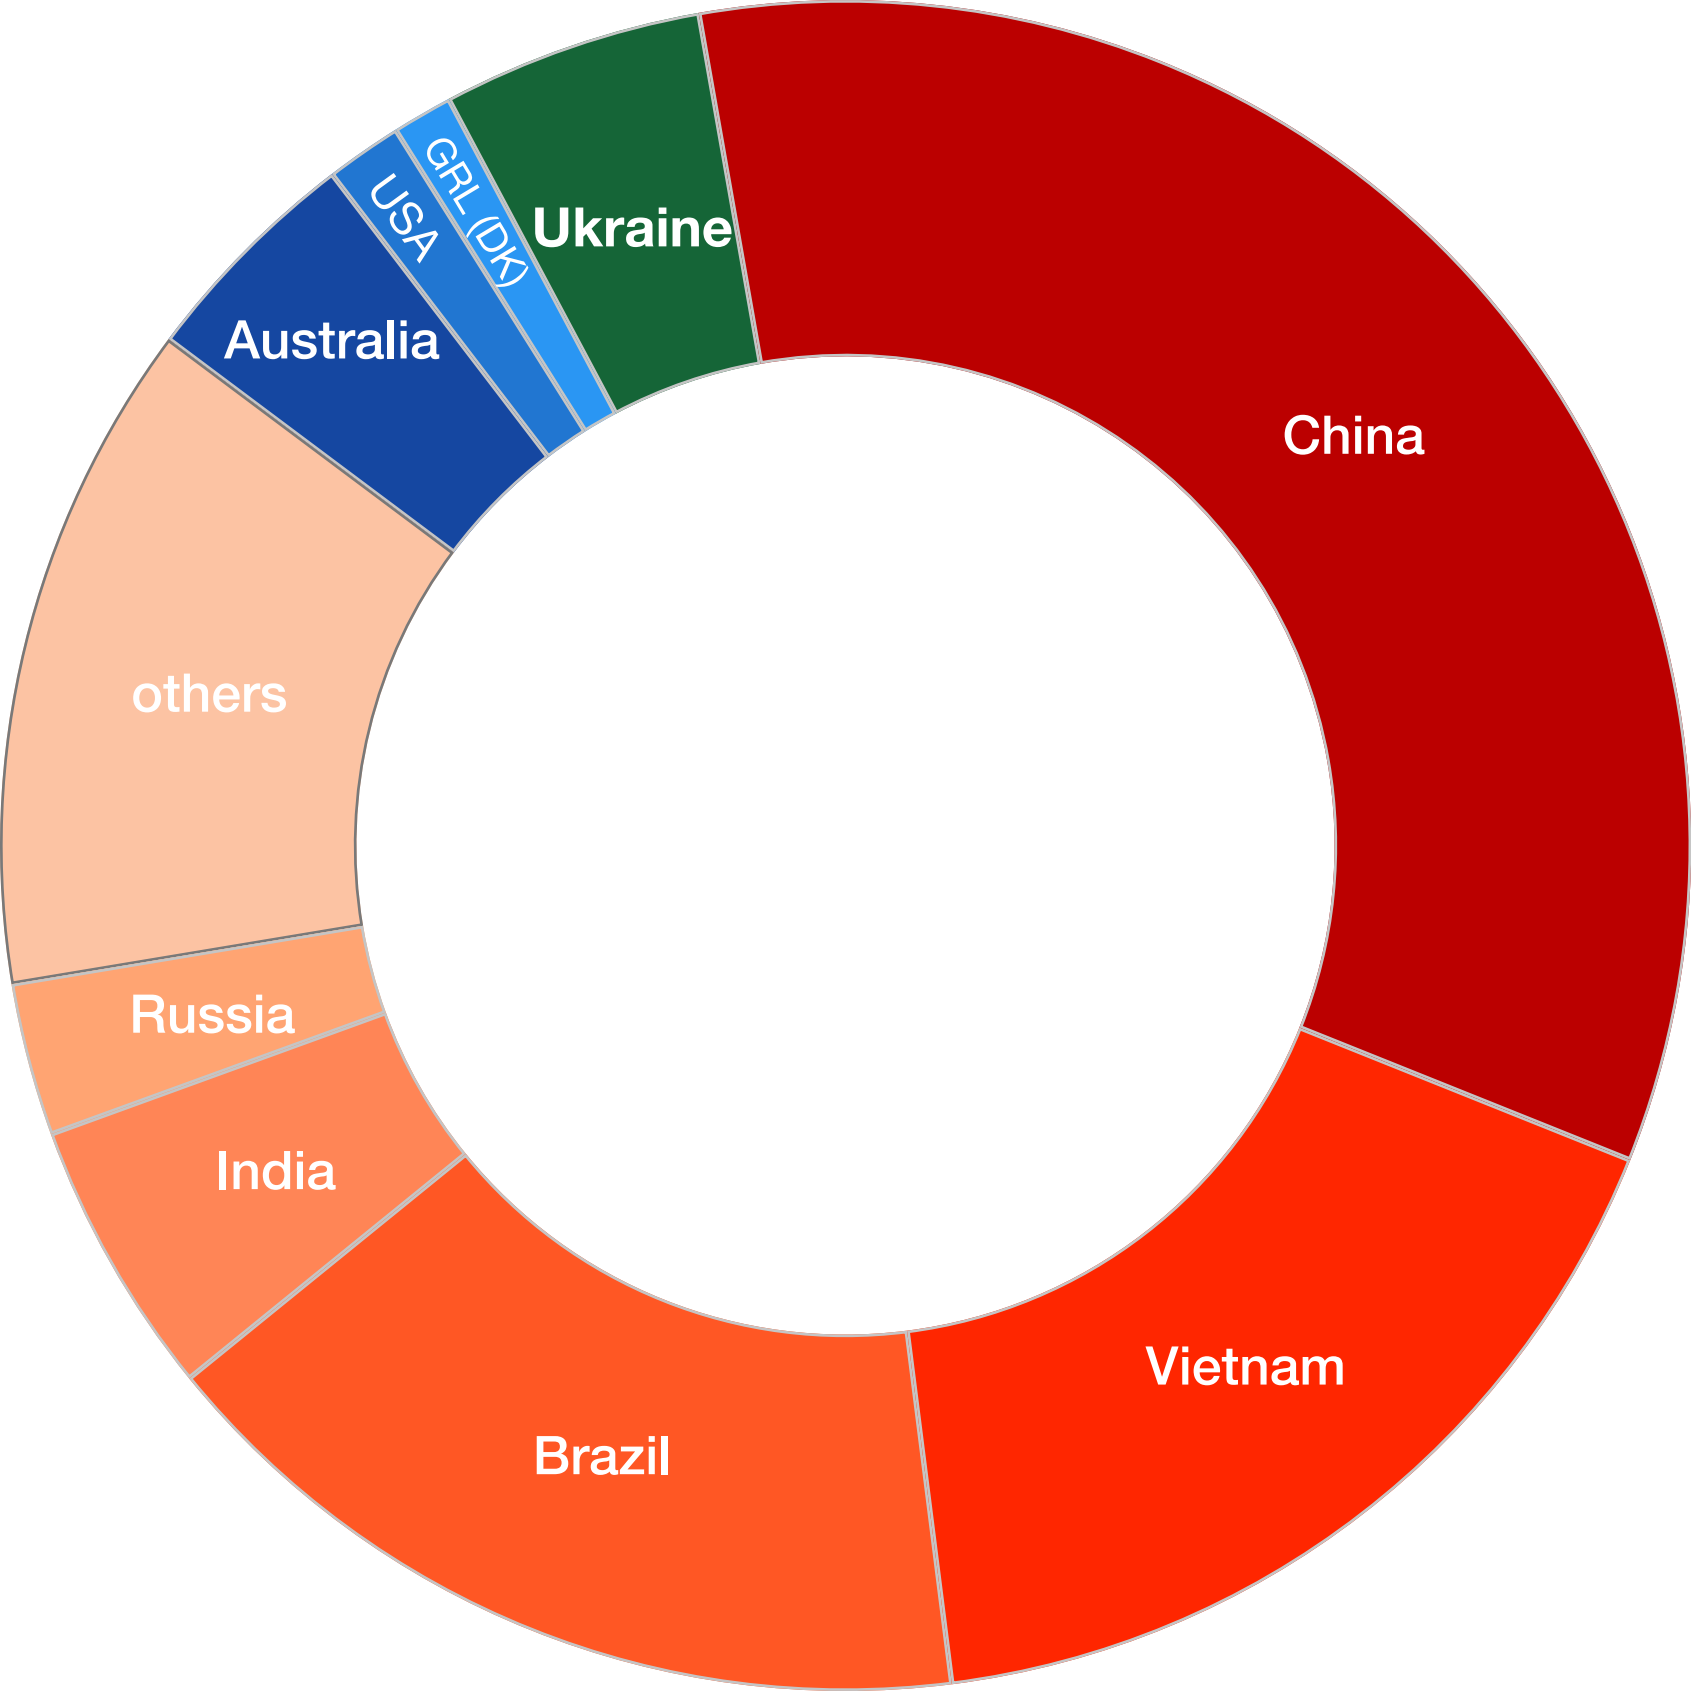

WEST

BRRICS

W

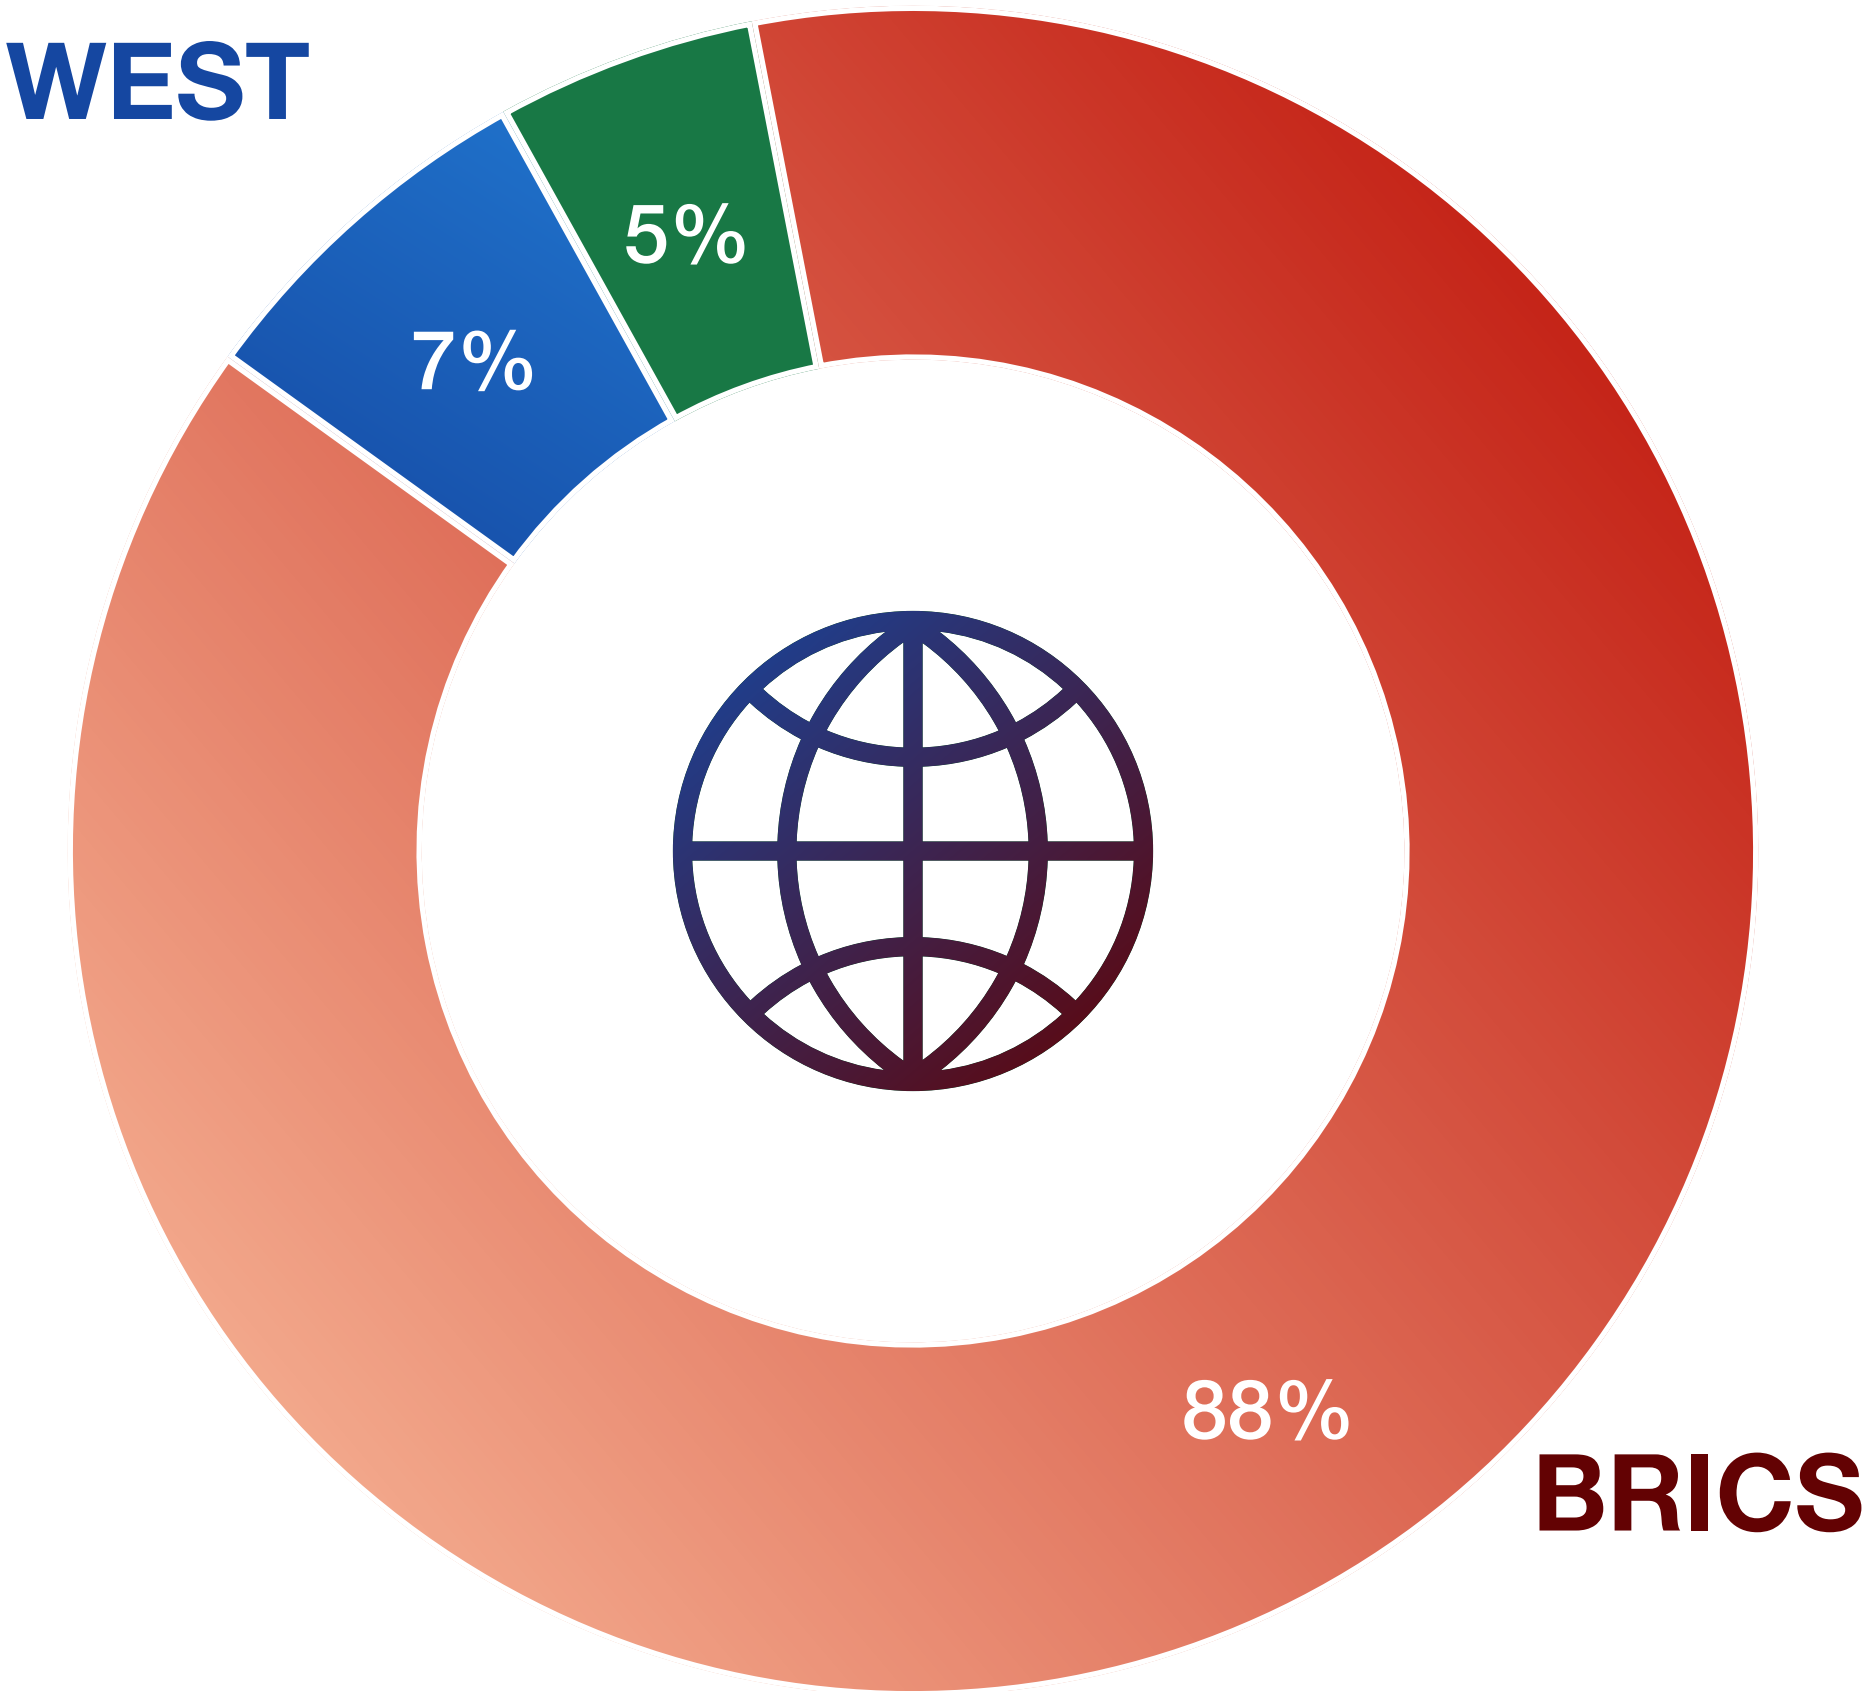

At present, the **BRICS** countries control access to the vast majority of **REM** reserves, which are critical for defence & high-tech applications.

The West's access to REM reserves
is limited, posing a significant risk in
the global tech race.

The **West**'s access to **REM** reserves is limited, posing a significant risk in the global tech race.

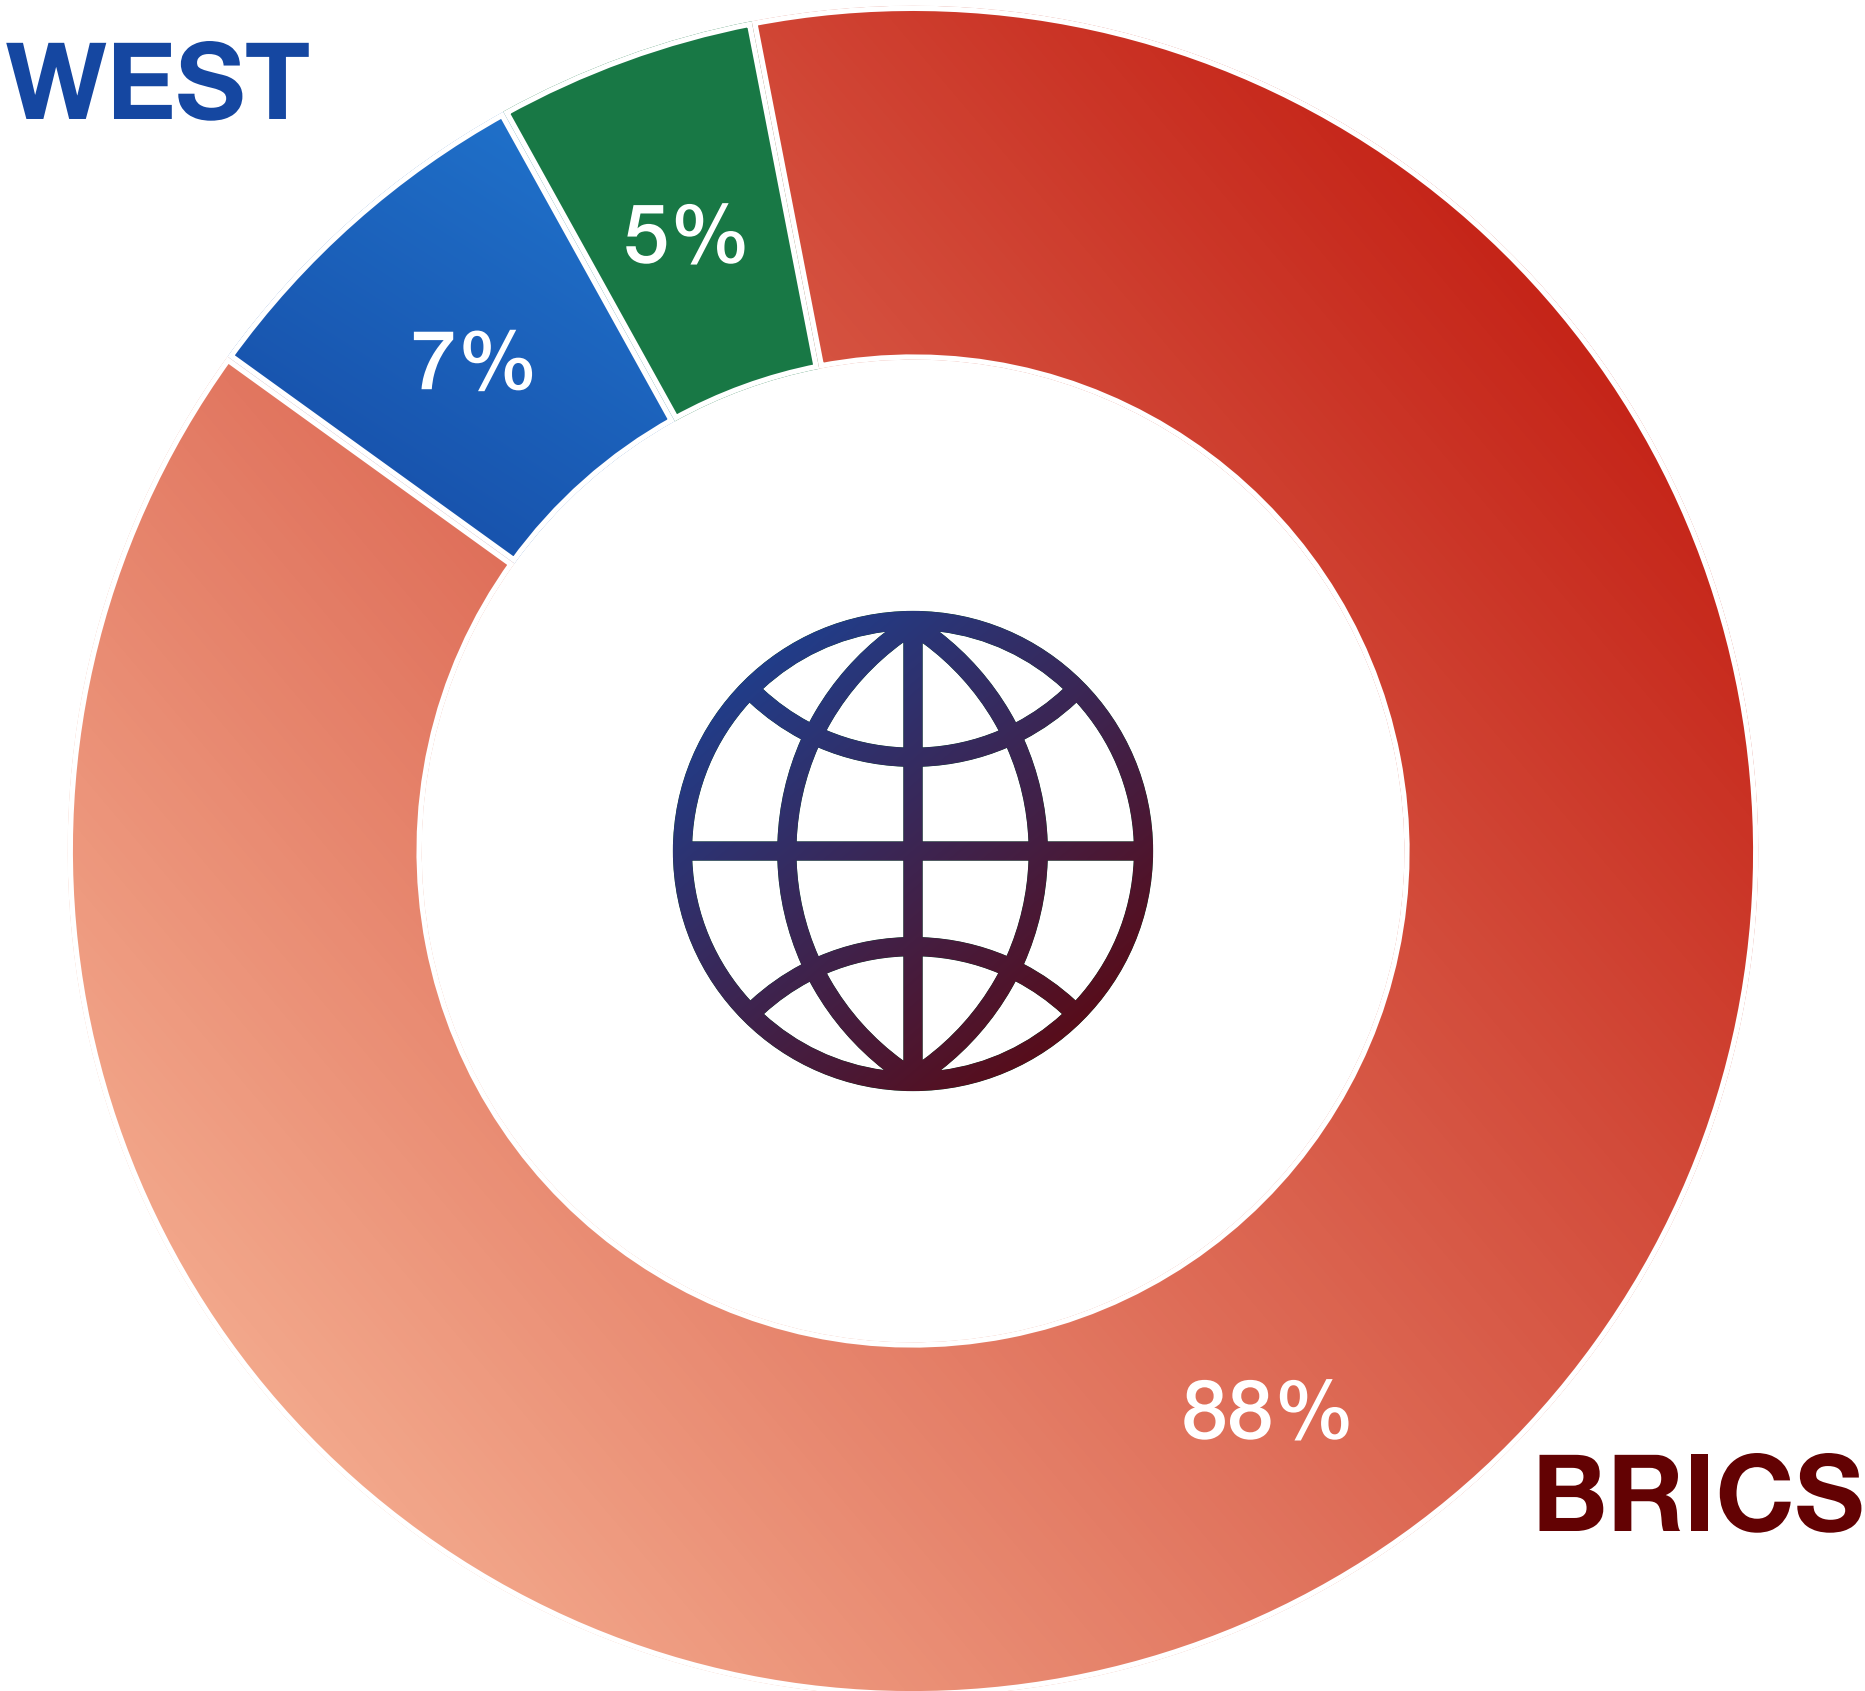

REM Reserves by Allegiance

At present, the **BRICS** countries control access to the vast majority of **REM** reserves, which are critical for defence & high-tech applications.
